Dear Sir,

I am informed by the Dean of the Faculty of Medicine that members of the staff who have been in charge of the Refresher Courses in the Faculty of Medicine are to receive extra remuneration. I have had charge of the class in Chemistry during September. I have given four lectures per week and two afternoons laboratory work per week.

Yours sincerely,

Professor V. H. Allen,
Chemical Building.

Dear Professor Allen:

I did not know that the Dean of the Faculty of Medicine had arranged for a refresher course, and I have written to him asking him about the matter and what rate of pay he had promised. I will then bring the matter before the Board of Governors and have it attended to.

Yours sincerely,

President.
